**Ambulatory
integration assistance
for
mentally ill/
mentally disabled
people
(PPM)**

What do we offer?

We offer our clients and users an outpatient - psychosocial outreach for daily life management and help in the development of perspectives.

We offer support in native Polish, Russian, Ukrainian and French language, furthermore in Farsi, Tigrinya, Dioula, Guerre and Twi.

different issues could be handled according to concerted agreement:

- the impact of mental illness or mental disability on daily life
 - various trauma disorders
 - the activation of personal resources
 - the structuring of everyday life
 - the link to a social network
 - the housing situation and its possible change
 - the labor and employment situation
 - financial issues / burden of debt
 - health care / preventive care
 - crisis handling
 - link to other offers of help (specialized psychiatric nursing, assistance in house keeping, etc.)
 - family situation – how is my child? – assistance for parents, relatives or neighbours
- ➔ we also offer social educational family assistance in education according to the Child and Youth Welfare Act.
- ➔ we own horses and offer hippo therapy units.
- ➔ we organize different kind of group meetings.

and much more.
